FRESH VINTAGE SALE-A-BRATION STAMP – STAMPIN UP

Stamp Sets: **Fresh Vintage #125115 – Sale-a-bration catalog**
 Teeny Tiny Wishes #115370 – Idea Book & Catalog

Recipe & Instructions

- Card Base 5-1/2 x 8-1/2, score and fold at 4-1/4 – Whisper White
- Top Layer 4 x 5-1/4 – Whisper White.
- Stamp design on bottom with VersaMark Ink, cover with Gold Embossing Powder, shake off excess and set with heat tool.
- Stamp Floral image with Poppy Parade Ink
- Sentiment from Teeny Tiny Wishes – I used my Stamp-a-ma-jig to position it and stamped it with Soft Suede Ink
- Tie 16 inches of Soft Suede 3/8" Taffeta ribbon around, knot and trim ends.
- Use a Corner Rounder Punch on the bottom left corner of the top piece and the card
- Mount the Top piece to the card with Dimensionals.

If you wanted a brighter card, substitute a piece of the Everyday Enchantment Designer paper across the bottom, and change the color of the card base, it would quickly become a very bright card, but still I under 10 Minutes.

This would make a great workshop card too
